

# ARCUS

## Features & Fixes

April 26, 2019

### Notify User of Recent Load Status Updates

When posting a new check-in, the system will check to see when the last update was added and will notify you if it was in the last few minutes.

Carrier N/A	On Time <input checked="" type="checkbox"/>	Status Date/Time 04/25/2019 16:07	Total Miles 3537.2
Status DELIVERED		Location City, State...	
Current Temp	Note:		

⚠ There was a status update 1 minute(s) ago. Override?  [Save Checkin](#)

### Email Template for Carrier Lane Search

Users can now edit the subject and body of the email that is sent to Carriers when doing the Carrier Lane Search.

**Carrier Lane Search**
